

Inspired Teams Up With Ladbrokes To Create The Greatest Ever Cox Plate Virtual Race Broadcast in Australia One Day Prior to Ladbrokes Cox Plate Friday, October 23, 2020

NEW YORK, Oct. 6, 2020 /[PRNewswire](#)/ -- Inspired Entertainment, Inc. ("Inspired" or the "Company") (NASDAQ: INSE) has teamed up with Ladbrokes to bring to life the **Ladbrokes Greatest Ever Cox Plate**, a virtual race pitting equine superstars from around the globe and across eras. Aligned to celebrate the 100th running of Australia's WFA Championship, the Ladbrokes Cox Plate at Moonee Valley on Saturday October 24th, the Greatest Ever Cox Plate will be broadcast across Australia on 7Two on Friday, October 23rd.

During the broadcast, viewers will get to experience the 'race where legends are made' with an ultra-realistic 3D computer-simulated version of the Ladbrokes Cox Plate incorporating an accurate re-creation of the notoriously tight Moonee Valley circuit in Melbourne and the atmosphere of the Cox Plate Carnival.

The race will feature a star-studded 14-strong field of champions assembled by an expert panel. The field includes seven multiple Cox Plate winners, including Winx, Kingston Town and Phar Lap, and pits them against international greats such as American legend Secretariat, European Champion Frankel and Japanese super sire Deep Impact.

The race and its results will be based on historical information about these horses and their racing records, which has been built into the software, which helps to determine the probability of their potential finishing positions. Betting will be available exclusively through Ladbrokes and will be restricted to a maximum \$20 fixed win bet to meet regulatory requirements.

Ladbrokes Australia Chief Executive Dean Shannon said, "At Ladbrokes we are racing fanatics. We love the sport's history, and as the major partner of the Ladbrokes Cox Plate, we wanted to produce something that served as an appropriate tribute to the 100th running of the great race. We can't wait to see how some of the great champions of the past stack up against the likes of Winx, and we hope by introducing Secretariat, Deep Impact and Frankel to the mix it will only add to the intrigue and interest."

As the pioneer of Virtual Sports, Inspired has re-created the action of the world's most popular sports for more than a decade. Inspired Entertainment Chief Commercial Officer for Virtual Sports, Steve Rogers said the Company was thrilled to work with Ladbrokes and key partners to create the Greatest Ever Cox Plate. "We are excited for the opportunity to develop this landmark race with the addition of some international legends and showcase the quality of our state-of-art virtual sports."
