Omni-Channel Game Themes

Inspired has a proven track record of creating feature-rich games that deliver exciting experiences for regulated gaming, betting, lottery, social and leisure operators across land-based and mobile channels worldwide. At Booth #S2-310, attendees will see how Inspired's games work across its product portfolio. The strongest performing slot themes, including [Gold Cash®](#) and the player-popular [Cops 'n' Robbers®](#) family of games, will be on display on multiple gaming platforms, including our new Community three-player version. The newest game offerings feature an exciting key mechanic, **Fortune Spins**, that can be switched on and chosen as an alternative to spinning the normal base-game reels.

Other cross-platform favorites will also be on display. [Big Fishing Fortune™](#), which was nominated for [Eilers & Krejcik Gaming, LLC](#) Top Performing NEW Online Slot, can be played on a gaming cabinet, online or on a mobile device. [Space Invaders®](#), bringing a bit of 1980's gaming nostalgia is available for

Gaming and iGaming customers as well as pub, holiday park and motorway service customers in the UK. Big Spin Bonus was nominated for an [Eilers & Krejeik Gaming, LLC](#) Slot Award in the Top Performing Online Slot category and Most Innovative Online Game.

Inspired will also be debuting its new **leaderboard functionality** at this year's ICE. This leaderboard functionality gives operators and venues a tool to draw in players and provides an additional incentive to play. Route venues can use leaderboards to introduce a competitive and promotional element to game play, adding a new play dimension that evokes the familiarity and nostalgia of traditional ranking tables – think Space Invaders high score board. The leaderboard's easy-to-use interface empowers venues to set up and host customized tournaments with minimal effort.

Ground-Breaking Virtual Sports

ICE is the place to see Inspired's award-winning Virtual Sports, featuring officially licensed products from all-time great MLBPA and NFLA players.
